

Shaun W. Hassett

Practice Description

Shaun's practice focuses on complex patent litigation between industry competitors and against non-practicing entities. Shaun has handled a wide-variety of matters involving numerous technologies, including wireless and telecommunications devices and software, semiconductors, computer systems, integrated circuits, data-based systems, speech coding, data compression, network security, and automotive products. He has extensive experience in navigating complex litigation issues and strategies from case inception to trial. Shaun's experience includes handling matters before District and State Courts throughout Texas, California, and Delaware, in addition to cases before the U.S. Court of Appeals for the Fifth Circuit and the U.S. Court of Appeals for the Federal Circuit. Shaun has represented clients ranging from large multinational corporations to individual inventors and business owners, in addition to numerous pro bono clients consisting of individuals and start-ups.

Professional Background

- Named a Texas Super Lawyer Rising Star – 2017-2022.

Personal

Born in Buffalo, New York, Shaun moved to Texas with his family in 1992, and aside from brief stints living in Ohio and North Carolina for work and school, has made it his home ever since. Shaun is an avid sports fan and outdoor enthusiast, and met his significant other, Chelsea Owen, playing ice hockey. When he is not working, playing sports, or spending time with his dog Howdy, you will most likely find Shaun in the kitchen, by the grill, or carefully tending to his BBQ smoker.
